Evan Lettieri (Sound Designer) has been either designing or operating the board here at **CM** over the past year. He's not really sure what to write here. If you're still reading this you're probably a family member or friend, in which case, thanks for supporting live theatre on Long Island here at **CM Performing Arts Center**.

About the Crew

Juliana Jagielo (Production Stage Manager) is thrilled to be back behind the scenes of another **CM** Main Stage show.
