**Jesus Christ Superstar**

We are a group of people who believe in God...a God who lives in our hearts and has called us to spread the Good News of Jesus and His love for all people. Creative Ministries is a

Long Island based organization of actors, singers, dancers and musicians. We use our gifts for teaching, worship and entertainment. The creative arts have been used by the secular world for many purposes. Yet, many Christians have failed to recognize and support their usefulness in outreach, conscience formation and spiritual growth. We hope to offer a different approach for reaching the "churched" and the "unchurched".

Our entire troupe and production staff is made up of volunteers; for us this is our ministry. Our legal status is that of non-profit organization. All our funding has come through private donations and contributions for the programs we offer (all donations are tax deductible!)

We work from a Studio that we use for rehearsals, prayer, workshops, meetings, building of sets, storage of sets and costumes, and our office. Funds raised have been used to purchase a truck, lights and sound equipment, musical instruments, sets, costumes, tools, music, theatrical and dramatic resources, postage, printing, phone, insurance, rent, etc.

So as to be able to continue to grow in the quality of programs and services offered through Creative Ministries we depend on your generosity.

Yes, I would like to be of support to
